NATIONAL HCCA 1 & 2 CYLINDER TOUR AUGUST 27-31, 2012 Bridgeport, California

A High Sierra Adventure Hosted by the HCC of Nevada

This is a 4 day hub tour for pre-1916 1 & 2 cyl gas cars, motorcycles and steam cars to 10 HP., **LIMITED TO 30 CARS**. The tour is based in Beautiful Bridgeport California on the eastern side of the Sierra Nevada at 6000 ft. elevation. The typical days run will be 40 miles with a short Carburetor adjustment tour Monday on the way to dinner. The 3 long days will be along scenic meadow and canyon roads, along rivers and lakes and we will climb between 800 to 2400 feet. The last 3 miles into Bodie will be dirt. The California State Parks likes to keep it that way to give the effect of arriving in Bodie at the time the town and mines were active.
